Established in 2005, Kilchoman, pronounced (Kil-ho-man) is independent, family run and Islay's smallest distillery. Based on a farm on the rugged west coast of Islay, Kilchoman was the first new distillery to be built on the island in 124 years. It displays all that is great about grass-roots distilling. Completing ALL parts of the whisky making process from growing barley to bottling on site-making it Scotland's only true barley to bottle experience.
